pH	3.27
Alcohol	13.2%
Bottling	February 9 th , 2024
Production	50 Cases
Drinking Window	2024 - 2034

Growing Notes

Katy Wilson teamed up with Ted Klopp and Lauren Klopp Williams (also of Thorn Ridge Vineyard) in the planting on this coastal vineyard. The combination of the Goldridge sandy loam soils and coastal climate lend to wines with great complexity of minerality and high levels of acidity.

We began the 2022 season with bud break starting in February and the rest of the growing season continuing to track on the early side. We started harvesting in late August and were completely finished picking by September 13th. Lighter-than-average yields also contributed to incredibly nuanced and intense flavor characteristics. Meticulous farming and careful winemaking techniques came together to make this vintage a stand-out year with each cluster reaching a beautiful level of ripeness and balance.

Tasting Notes

Aromas of citrus and stone fruit greet the nose, with orange blossom following. Flavors of lemon curd, lime zest, apricot, and Granny Smith apple intertwine with delicate oak notes providing structure and vibrant acidity.
